

DRIVE out CANCER Golf Tournament

Friday October 15th, 8:00 am
Gold Hills Golf Club

March 2010

Dear Sponsor/player,

All of us at 21st Century Oncology are excited to announce we will be hosting our 3rd Annual ***DRIVE out CANCER*** golf tournament Friday October 15th at 8:00 a.m. Once again, we respectfully request your support in this effort.

As an educational golf tournament, we selected common cancers we treat here in the Far North State. We then provide information on how to ***Prevent, Detect & Treat*** these cancers in the form of signs positioned at each hole of the course. As a community minded sponsor, your name or company's logo will be printed at the bottom right-hand corner of the sign(s).

We are proud of the fact that all monies raised from this tournament remains here in our region. One of the main goals for our non profit foundation ***21st Century C.A.R.E.*** (Cancer Assistance Research & Education) is to financially assist cancer patients with the incidental expenses related to cancer treatment. Such expenses include gas & meal cards, temporary housing, transportation and babysitting to name a few.

Please visit our website www.21stCenturyCare.org which details the scope of our services. Once again, thank you for considering sponsoring a sign(s), donate an auction item, organize a team or sign up as an individual.

Respectfully,

Peter Crawford
